TEAM PULSE

'But in fact God has placed the parts in the body, every one of them, just as he wanted them to be.' 1 Corinthians 12:18

- Thank God for the people currently part of the team - Pete, Rebi, Elle, Ben, Jodi, Julie.
- Pray that the team would continue to work well together, encouraging and building each other up in God.
- Pray that the right people would join the team in the future.
- Interns - thank God for all the people who volunteer and intern for us. Pray that we will know the right people to ask on each mission.
- Year-long Internship - pray that we would be able to build this internship, again that the right people would be able to do it and that the practical elements would also be provided for - living arrangements, costs etc.
- As the team grows, pray for Pete as he leads it - that he would have wisdom and vision.

If God gives you any specific Scripture, words or pictures when you are praying for us, please pass them on to us so we can pray into them. Thank you.
