
Thank you so much for joining us in praying for Pulse Ministries, we really appreciate your support and know how important it is for our work.

SUMMER MISSIONS

This is Pulse's busiest season so we would love your prayer!

We've listed the missions we're doing below.

These are a few specific things that you could be praying for:

- **Team Pulse** : each week we have different team members joining us, as well as interns, both familiar to Pulse and those new to the team!
Pray that each week, Team Pulse would gel together well and that they themselves would grow in their relationship with God.
- **Church Team** : at each church, a team of volunteers are a huge part of the making the mission happen! Pray that they would encounter God really powerfully throughout the week and that they would understand more of their identity in Christ.
- **Children** - Hundreds of children will hear about Jesus this summer through the holiday clubs, pray that they will come into relationship with Him. That as they go 'Up in the Air', they will understand more of God's identity and their identity in Him.
- **Practicalities** - As we travel around the country pray for our travel and for Grace's first summer to run smoothly (new van!). Pray for safety for everyone involved as well as good health.
