
SOS 19 Information Pack

Summer of Service, our summer internship program, has been running since 2016. Each year has looked slightly different, and this year is no exception! As we have felt God's leading to change up the SOS experience, we are offering the opportunity to be part of something unique.

SOS 19 has two elements to it, both of which we're really excited about!

1. **Holiday Clubs**
2. **SOS Empower**

What to expect

In general, you're SOS experience will include:

- Living in community & being part of a team
- Engaging in worship, prayer & scripture
- Learning how to share the Gospel with people in multiple contexts
- Journeying together, being challenged, discipled & equipped
- A whole load of fun

Holiday Clubs

Pulse run **holiday clubs** all over the country. They are week-long evangelistic missions, for 5-11 year olds, where we work with local church teams, enabling them to engage with the children and families in their area.

You will be:

- helping put up & pack down the holiday club set
- building relationships with and encouraging the local church team
- delivering teaching to children, young people & adults
- leading craft/game sessions

On top of this, we'll have loads of fun and input in the evenings, getting to know each other, and encouraging each others' relationship with God.

SOS Empower

SOS Empower is brand new for 2019. Take a risk and join us for an incredible week of evangelism, discipleship and being equipped to share the Gospel.

Each day will include:

- optional morning devotions in varying styles
- a morning of teaching, training and investment delivered by Team Pulse and guest speakers.
- an afternoon of outreach, including street evangelism
- times of worship
- times to chill out, have fun & get to know each other
- more optional evening devotions
- being part of 24/7 prayer throughout the week

Just like Holiday Clubs, we'll be living together in a church for the week.

Training Weekend

If your application is successful you will need to attend the training weekend on the **28th-30th June 2019**. This will give you chance to meet everyone else doing SOS, as well as Team Pulse. There will be training on the Holiday Club theme and safeguarding, as well as times of worship and teaching. It's a great way to kick start SOS.

28th-30th June 2019

Times: 7pm Friday - 1pm Sunday

Reunion Weekend

After the summer, from the **1st-3rd November**, there will be a weekend where we come together and celebrate all God has done over the summer. It's really important to finish the process well with one another, so this weekend offers a chance to debrief, remember the good stuff, and to continue to encourage each other in our walk with God. There will be more teaching and worship, and we'll head off to a big fireworks show on the Saturday evening!

Times: 7pm Friday - 1pm Sunday

Why get involved?

Pulse has a heart to see you realise the potential your Creator has for you in His Kingdom, to deepen your identity in Christ and to walk more in step with the Spirit. Spending the summer serving Jesus through mission will shape, mould and challenge you more than you could imagine, while being a huge amount of fun!

Within the intense environment of mission, you'll be able to step out of your comfort-zone, discover & develop the gifts God has given you and see God at work.

Our passion is equipping people; we care about getting to know people as individuals and we will give our all, investing in your identity in Jesus.
